

Hole 11

Par 4

Blue 407 Gold 289

White 375 Red 285

A dogleg left par 4 with water bordering both sides of the fairway. Right center is the ideal position to avoid a large overhanging willow in the landing zone. The green is flat and offers a good opportunity to make a putt.

The tee shot view on #11.

The approach shot view on #11.

A view from behind the 11th green.
